EUROPACABLE INTERNAL

Europacable Executive Board Meeting

On 27 November, the Europacable Executive Board convened for its Autumn meeting. The Board reviewed 2012 progress and agreed 2013 objectives. (*Continue reading*)

SAVE THE DATE

26/27 June 2013

Europacable 2013 General Assembly

Europacable 2013 General Assembly

The 2013 Europacable General Assembly will be held in Brussels on Thursday, 27 June 2013. Based on the positive feedback we received for the Summer Cocktail this year, the Executive Board decided to again host a Summer Reception the evening before, inviting Brussels partners to meet our industry.

Invitations will be sent in due course – in the meanwhile please reserve the date in your diaries!

Phil Edwards new Chairman of Eurotelcab Board

Gert Hoefman announced that due to a change in his position within Prysmian Group he will no longer be able to chair Eurotelcab. The Executive Board and the Eurotelcab Team thanked Mr. Hoefman for his excellent and pro-active chairmanship and wished him well for his new position.

The Europacable Executive Board appointed Phil Edwards, Senior Vice President Business Telecom with Prysmian Group, as the new ETC Chairman.

Registration Website

Our internal information system has been up and running for over a year now. If you want to be informed about your fields of interest via our automated system, if you are looking for documents in our archive or would like to download the latest Raw Material Indices you need to register on our website. You can do so be clicking "login" and "don 't have an account" on our website.

EUROPACABLE EU LOBBYING

Infrastructure Guidelines

On 27 November, a political agreement was reached on the regulation on Guidelines for trans-European energy infrastructure, essentially setting out new transparent and accelerated permit granting procedures for energy infrastructure projects which generally will not exceed 3 years and 6 months. *(continue reading)*

Europacable Meeting with DG Connect

Following its contribution to the public consultation "EU Initiative to Reduce the Cost of Rolling out High Speed Communication Infrastructure in Europe", Europacable had a

first meeting with the European Commission's Directorate for Communications Networks, Content and Technology – in short DG Connect. *(continue reading)*

Europacable Position Paper on High-speed data cable networks

Following the EDC Communications Workshop chaired by Wolfgang Schuh in September, the EDC Board has now published its first Position Paper in close coordination with the ETC Board. (*continue reading*)
